14<sup>th</sup> International Junior Academy –  
Summer School in Budapest / Hungary  
August 8 – 10, 2024

The German, British & Hungarian Divisions welcomes you to the **14<sup>th</sup> International Junior Academy - Summer School** to be held in Budapest / Hungary as an in-person event.

As always, this annual Summer School is aimed primarily at young pathologists worldwide as well as for specialists for a re-entry.

Selected topics are discussed in depth by experts and participants are encouraged to fully participate in all the sessions and to meet and have discussions with the experts.

Participants are also encouraged to bring and present interesting cases on any of these topics which will then be discussed by all the attendees at the school.

The Summer School, unlike other Schools of Pathology, also provides the unique opportunity for participants to meet with other young pathologists from many countries and to exchange ideas.

## Bursaries

The German Division of the IAP and the Vladimir Totović – Foundation provides 5 bursaries to support residents and trainees in pathology from underserved countries. This includes a free registration, 2 nights' accommodation at Radisson Hotel Béke (August 08 - 10, 2024) and travel grants.

Please upload the documents required for the Bursary Application while registering in the course. To apply for bursaries the following items are necessary.

- Submission of a CV and a supporting letter
- A mandatory case presentation
- Submission of an abstract of the case to be presented
- Proof of trainee status
- Presentation of the final report not later than 1 month after the meeting
